

New blood at Lorlin Electronics Ltd

Lorlin Electronics Ltd has announced the appointment of a new Technical Sales Engineer.

Graham Stewart has joined the company to replace Howard Felstead following Howard's recent retirement.

Graham brings with him a wealth of experience and knowledge gained from over 20 years service in the E-Mech environment, including spells with EAO Switches, Deltron Electronics Ltd and Abacus Polar plc.

Colin Murray, the Lorlin Electronics Managing Director says that he is pleased to welcome Graham to this crucial role
' supporting customers at every stage of the process is central to a top quality professional service and needs to be supported by capable personnel throughout the organisation'
